

Product Information

– for professionals only –

ZeroLeu smart K

In Short

- ZeroLeu smart K is a Food for Special Medical Purposes (FSMP) for use in the dietary management of disorders in Leucine metabolism, e. g. Isovaleric Acidemia
- highly concentrated powdered protein supplement free of Leucine (Leu)
- low in calories: small amount of carbohydrate – no fat
- flexible in preparation, different concentrations possible
- light and neutral in taste
- highly purified L-amino acids
- micronutrients in balanced, age-based amounts
- in 500 g tin

Product Profile

ZeroLeu smart K is a highly concentrated powdered mixture of highly purified L-amino acids free of Leucine (Leu).

ZeroLeu smart K contains a small amount of carbohydrate and thus a small amount of calories.

There are different options for preparation. They facilitate the intake and improve compliance.

ZeroLeu smart K is light and neutral in taste.

ZeroLeu smart K is supplemented with vitamins, minerals and trace elements in balanced amounts.

Administration

ZeroLeu smart K should always be taken along with calculated quantities of foods.

Preparation

ZeroLeu smart K is flexible in preparation. See box "Preparation".

Tip: ZeroLeu smart K taken in apple juice tastes especially delicious! But may also be prepared with other juices or soft drinks. Consider the protein content! Be careful when mixing with carbonated drinks in a shaker.

Notice: We recommend to drink a glass of water or other beverage directly after taking ZeroLeu smart K in one of the concentrations XS, S or M.

Always prepare freshly!

Function ZeroLeu smart K substitutes that part of the protein in the diet which may not be taken up from natural food sources.

Indication ZeroLeu smart K is a food for special medical purposes and as protein supplement suitable for the dietary management of disorders in Leucine metabolism, e.g. Isovaleric Acidemia.

Dosage The daily total amount of amino acid mixture depends on age, body weight and individual medical condition/protein tolerance and should be re-examined and adjusted in accordance with the results of regular monitoring.

The daily dosage of amino acid mixture should at best be divided into 3–5 single portions.

ZeroLeu smart K can be combined with ZeroLeu minis.

The diet must be supplemented with energy, natural protein and other nutrients in prescribed quantities.

Important Notice Must only be used under medical supervision. Not for use as a sole source of nutrition. For enteral use only. Only for people with proven disorders

Amino acids

ZeroLeu smart K	100 g	8 g
